TOURISM chiefs in Romania are promoting the claim that Prince Charles is descended from Count Dracula to lure visitors.

Links between the Royal Family and Vlad the Impaler, the 15th century inspiration for the vampire legend, are being exploited in an attempt to lure tourists.

Prince Charles appears in a video made by the Romanian National Tourist Office, reports the Daily Telegraph.

“Transylvania is in my blood,” he jokes. “The genealogy shows I am descended from Vlad the Impaler, so I do have a bit of a stake in the country.”

The Romanian National Tourist Office is using the video, which has been uploaded on YouTube, to try and boost UK visitors by more than seven per cent.

The video climaxes with a reference to the Prince of Wales, “who can trace his ancestry back to Romania’s dark and distant past”.

Other literature highlights a short visit by Prince Harry to the country in Easter this year. A spokesman for the Romanian National Tourist Office said the country, which incorporates the region of Transylvania, was looking to use these links to increase UK tourists.

According to *Royal Highness*, a book published in 1982 by Sir Iain Moncreiffe, the former chairman of Debrett’s, the Prince is a great grandson 16 times removed to Vlad III. He can trace his lineage back through his great grandmother Queen Mary, the consort of George V, to Vlad IV, the half brother of the notorious ruler.

The Fall of the Pentagonam Five. Illuminati illusion dissolves in disarray.

Picture: Illuminati bloodlines. Satanic Circle. The ancient fellowship of evil.

The illusion is getting smaller. It has been perceived worldwide. Now only the insane can miss it. Thirteen millennia of élite-led disinformation and financial fraud on the planet are at last coming to an end.

The Secret Covenant of the Illuminati is a busted flush. The MSM cover story that The Protocols of the Elders of Zion are just an "anti-Semitic" propaganda ploy has been rubbished.

On Monday 1st October 2012, writing from Japan (full text [here](#)), the English Language spokesman of the White Dragon Society and its Asian affiliates cited Western intelligence sources in his claim that the old pentagram of corrupt global power, David Rockefeller, George Bush Senior, Queen Elizabeth II, Evelyn de Rothschild and Josef Ratzinger (the Pope) is running out of money and fiddling while Rome burns.

These five confused, dribbling and incontinent geriatrics, whose reptilian clone-lines are becoming exhausted through over-extension, would have been terminated or retired decades ago if they weren't so useful to their corporate handlers and controlling syndicates.

It can be an operational advantage to have an élite boss who is terminally gaga and forgetful. For historical and lineage reasons, his signature retains crucial executive importance. You can get him to sign documents twice because he forgets he has signed them before. But the trick is this: the second document is settled in slightly different terms than the first. So you have two competing documents in circulation, one of which is a calculated fraud.

Such texts can be used to block legitimate capital transfers. Lawyers can brandish the documents for years to obfuscate international fund disbursements. Meanwhile, you divert these funds and use them as collateral in highly leveraged derivatives trading programs.

At present The Pentagonam Five are reported to be in deep disarray about what to do with the emerging torrent of disclosures which are laying bare their involvement in global financial theft, Black Magic, human sacrifice, child abduction, ritual paedophilia, gerrymandering interference in Western elections and appointments to international institutions, and the computer-driven rigging of international markets.

The indications are that the management structures of the Illuminati's reptilian bloodlines have fallen apart in deadly acrimony. Elizabeth Windsor (Queen Elizabeth II of England) and Josef Ratzinger (Pope Benedict XVI) are quietly funneling substantial sums of money to Barack Obama and pushing for his fraudulent re-election as US President in November 2012. This move is in direct opposition to the Bush syndicate's promotion of their marionette frontman, Mitt Romney who, it is

planned, will eventually be obliged to step aside to allow Jeb Bush to become US President.

The US Nazi-continuum syndicates (the Rockefellers and the Kissinger-Bushes) are struggling to maintain traction in Asia and have lost control of North Korea, the Yakuza and their lucrative Yen carry trade in Japan.

The once great Rothschild dynasty is irrevocably divided, out on a limb and isolated. Their pet plan to start World War III and mayhem in the

Middle-East, prior to doubling global oil prices, is starting to look like a seriously maladroit chess move. The laughable lack of credibility of the Rothschild's two leading political puppets in the region, Binyamin Netanyahu (Israel) and Mahmoud Ahmadinejad (Iran) has undermined the whole operation.

The G5 media-manufactured conflict between "Israel" and "Iran" has been consigned to the dustbin of history. This was never a conflict between peoples; it was a pre-arranged, theatrical war-clash between two Sabbatean Satanist national leaders who are close colleagues in a Middle East based global subversion. Ahmadinejad (aka Sabourjian), let us not forget, is "Jewish".

The US Pentagon, now that the Rockefeller and Bush syndicates have split decisively from the Rothschilds, is said to be planning the closure of over forty four US military bases around Iran in order to speed up the collapse of the "attack Iran" Talmudic faction in Zionist Israel. This faction has turned Israel into the world's leading state sponsor of terrorism. One of the US bases earmarked for closure is rumoured to be the headquarters of the US Navy's Fifth Fleet in Bahrain.

Russia, China and Turkey have seen to it that the Rothschild strategy to force régime change in Syria, followed by more of the same in Jordan and then Saudi Arabia, as a precursor to hiking oil prices and replenishing the Rothschild coffers, will not work. Even if the plan partially succeeds, the financial beneficiaries will not now be the Rothschild banking cartel. Turkey is the rising power in the region. She is beginning to call the shots. She has (benevolent) financial ambitions of her own.

The murderous end-time rivalry between the European-based Rothschilds and the US-based Nazi-continuum received wide coverage recently in Libya. The assassination of US "Ambassador" Christopher Stevens (52), on Tuesday 11th September 2012, at the non-existent US consulate in Benghazi, was the killing of a Bush agent by a Rothschild agent in a proxy battle over Libyan oil and Libyan gold.

Picture: US Ambassador Christopher Stevens assassination. Benghazi, Libya 2012.

The picture of Christopher Stevens' abduction shown above was not allowed to be published in the Western mainstream media, nor were the exact circumstances of his death. Arabic language news outlets were not so coy. Over a period of eight hours, Stevens was raped, slowly tortured to death and raped again. His body was then returned to the remaining US CIA people in Benghazi.

There was never any US consulate in Benghazi. No such official facility was ever listed on the US State Department webpages for Libya. What there was in Benghazi was a clandestine Bush faction CIA "mission" which served as a base for US corporation subversion of Libya. And Christopher Stevens himself was mutton dressed up as lamb. He was not a career diplomat. Stevens was a Nazi-continuum rogue faction CIA fixer.

The Illuminati's Pentagram Five are also facing destructive end-time stresses in Rome. On Monday 24th September 2012, it was noted here that a high level Italian aristocratic source had reported that there were signs of serious strife and change at the Vatican in Rome. Josef Ratzinger (Pope Benedict XVI) was claiming that he was helpless in trying to stop the deadly factional turf wars raging at the top of the Catholic power pyramid between Opus Dei and the Jesuits. The Pope had survived several attempts to poison him and was reduced to sneaking out of the Vatican in disguise in order to find out what was really going on in the fissiparous Church powerplays.

Enormous attempts were made by the Vatican to downplay the Pope's butler case. On Saturday 6th October 2012, Paolo Gabriele (the Pope's former butler) was sentenced to eighteen months in prison for stealing Pope Benedict XVI's private correspondence. It was a lightning-quick internal show trial conducted by the Vatican itself inside Vatican City.

Gabriele, a 46-year-old Italian layman and father of three, was found

guilty of "aggravated theft". Sensitive letters to the Pope were leaked to the Italian journalist Gianluigi Nuzzi and published in his bestselling book "Your Holiness: The Secret Papers of Benedict XVI".

On some of the stolen letters, the Pope had written "To be destroyed". These particular documents were not included in Nuzzi's book and have yet to be published. Gabriele said he felt like an "agent of the Holy Spirit." He had leaked the letters to expose the power struggles and corruption which were raging around the Pope in the Vatican.

Further reportage and analysis on the Gabriele case can be found here (13.10.12), here (07.10.12), here (05.10.12), here (29.05.12) and here (25.05.12). And there is an instructive piece on Josef Ratzinger by the Catholic theologian Hans Küng here (05.10.12). Küng was a theological mentor of Ratzinger at the University of Tübingen (Germany) in the 1960s, and the pair worked closely together as theological advisers to the Second Vatican Council (1962-1965).

Picture: Second Vatican Council. Rome 1962-1965. Bas-relief.

Hans Küng's view is that the Catholic dogma of Papal Infallibility is theologically unsustainable and that priests and churchgoers should confront the Catholic hierarchy, which is corrupt, lacking credibility and apathetic to the real concerns of the church's members. Küng argues that the modern Roman Catholic Church is an authoritarian system exhibiting telling parallels with the dictatorship of Nazi Germany.

Another less prominent, but more powerful, Roman Catholic is pictured in the centre of the Satanic pentagram at the head of this article. He is

Peter Hans Kolvenbach, born in 1928. Kolvenbach, said to be the senior Satanist at the top of Vatican Roman Catholicism, was the Jesuit Superior General (Black Pope) for a quarter of a century from 1983 to 2008.

Kolvenbach has struggled to hold the Pentagram Five alliances together and has now failed. What is left is a maggot broth of seething evil. None of the principals ever believes what any of the others say, lies and deceit dominate their communications, assassinations, sabotage and thefts of each others' funds are attempted every day.

Back in the early 1990s, while still the Jesuit Superior General, Peter Hans Kolvenbach is said to have decisively interfered in British governance. The incident related to his covert control of Elizabeth Windsor (Queen Elizabeth II of England).

The Queen regards herself as a sworn guardian of the historical treasure of the Knights Templar. The Knights Templar are now better known as the Jesuits. The treasure of the Templars is not a particular stash of gold or sequestered riches. The treasure of the Knights Templar is the total financial control of the planet.

In the 1950s, as a young woman, and recently enthroned as Queen, Elizabeth Windsor was compelled by her mother, Elizabeth Bowes-Lyon, to take the Jesuit Blood Oath. This was an extremely unusual step for a woman - even for one of such notable aristocratic lineage. The oath the Queen took is sometimes referred to as the Jesuit Extreme Oath and Induction. The text of this Satanic rite was placed on the US Congressional record on the 15th February 1913. The page was torn out by a Jesuit agent at a later date. The full text of the Jesuit Blood Oath can be read here.

Elizabeth Windsor took the Jesuit Blood Oath in secret, one August, at Balmoral Castle in Scotland. A related curio, perhaps relevant to that remote location in Aberdeenshire, is that the Jesuits wrote the first 25 degrees of the Scottish Rite Freemasonry in 1754. More background

about this can be found here. And Benjamin Fulford has commented on the Satanic goings-on which are conducted under the radar at Balmoral here (23.02.09). Fulford is talking about The Illuminati's Committee of 300 of which Elizabeth Windsor is the Chairman.

On Sunday 1st February 2009, it was interesting to see Adolfo Nicolás Pachón, the current Jesuit Superior General, confronted on camera with a copy of the Jesuit Blood Oath. He denied ever having seen it before, despite having taken the secret oath himself and having officiated at the black rite countless times previously in his own career. He was on a visit to the Church of the Blessed Sacrament in Hollywood, Los Angeles, USA. Members of We Are Change Los Angeles challenged the Black Pope about the Jesuit Blood Oath document. Their YouTube video of the encounter can be found here (10 mins).

Elizabeth Windsor, as the English Monarch, is officially the Supreme Governor of the Church of England. This is a spectacular blind. In the Roman Catholic and Jesuit worldview, the English Reformation Church is an heretical construct. To have a sworn Jesuit in charge of the Church of England for the purposes of covert subversion is very Illuminati and very Jesuitical.

The Illuminati *modus operandi* has always been to say one thing in public and to prosecute the exact opposite in private. Ignatius Loyola, the founder and first Superior General of the Jesuits, in the Thirteenth Rule (365) in his *Spiritual Exercises* says: "To be right in everything, we ought always to hold that the white which I see, is black, if the Hierarchical Church so decides it"

In the early 1990s, for genuine spiritual reasons connected with the influence of one of her (Anglican) chaplains, Elizabeth Windsor began to have qualms of conscience about her Jesuit connection. Foolishly, she confided her concerns to her mother. Shortly afterwards, on the orders of Peter Hans Kolvenbach, she was terminated and cloned. The details of this unremarked regicide may shortly emerge. More about the use of human clones in élite political management can be found here.

And there is more about the English House of Windsor Nazi continuum bloodline here.

Another example of Kolvenbach's clandestine machinations came to light more recently in connection with the Japanese Tsunami on Friday 11th March 2011, and the subsequent false flag attack on the Fukushima Daiichi nuclear plant. Kolvenbach, Jay Rockefeller and Binyamin Netanyahu are reported to have been centrally involved in the organisation of this terrorist operation. A telephone intercept of Kolvenbach discussing the atrocity, and laughing and boasting about it, has been circulating among intelligence agencies worldwide for over a year.

The March 2011 Japanese Tsunami was not a natural event. It was caused by micronukes being drilled into the seabed at a geologically significant point and then being exploded in coordination. The deep sea drilling vessel used was the *Chikyu Maru*. Fourteen of the fifteen Japanese technicians involved on the vessel have since been assassinated. At the time, they were told by the contractors that they were involved in conducting an earthquake survey.

The subsequent meltdown of nuclear reactors at Fukushima was not caused by the tsunami. It was caused by independent sabotage designed to raise the local radioactive pollution to decoy level in order to mask the radioactivity generated by the seabed nuke explosions. In an attempt to increase the local radioactivity since, rogue faction US & Japanese military planes have been seen dumping radioactive Caesium waste over the Fukushima mountains. More here (09.04.12) and here (13.02.12).

The Illuminati's covert control matrix, now visibly crumbling, is not about power; it is about money. Money is all that matters. Without money there is no executive power. Money. Money. Money. The matrix is also about manipulating perceptions of what money actually is. And this is how the corrupt, Satanic, G5 house of cards is about to be brought down.

In the rest of the world, reliable money is no longer seen as debt. It is no longer seen as QE fiat paper such as the Euro, the US Dollar or the Pound. Reliable money is seen, once more, to be precious metals.

Increasingly, members of the 150-nation Monaco Colloquium Group, including the BRICS, are demanding payment in physical gold for their oil, goods and services. They are no longer accepting the G5's fraudulent IOU's for gold; they are demanding deliverable and delivered physical gold. Clinton-era gold-covered tungsten bars will not do.

This is why Dark Pool Gold in Asia and elsewhere is so important. And this is why the G5 NATO war machine had to smash Libya from the inside. Muammar Gaddafi was beginning to demand payment in gold for Libyan oil and, with several other African countries, he was on the point of introducing a gold-backed Dinar for all future trading with everyone, including the West.

It is because the imminent Monaco Accords international currency reset will introduce new precious metals-backed currencies that the Pentagram Five banks, such as JPMorgan Chase and Goldman Sachs, are doing everything they possibly can to rig the international gold and silver markets and keep the prices of gold and silver artificially low.

The G5 banksters face conquest by erosion. Day by day, and week by week, it is getting harder and harder for them to pay for anything bought from outside the G5 banking cartel with anything other than delivered gold or silver. The rest of the world sees Euros, Dollars and Pounds as yesterday's rip-offs.

But there is a much older and more esoteric perspective on the collapse of the Pentagram Five's QE fiat casino: The Earth is an abundant planet. Without money we'd all be rich. Money is the mechanism which makes us poor.

This Pentagram Five Illuminati story is now being updated on a separate page here.

JP Morgan Blue Book - The Secret Book of Redemption (1934 edition)
Picture: JPMorgan Bank Blue Book. The Secret Book of Redemption 1934.

Picture: JPMorgan Bank Blue Book. The Secret Book of Redemption 1934.

Deep inside the Pandora's Suitcase disclosures are thought to be the various texts of the JPMorgan Bank Blue Book (The Secret Book of Redemption 1934, and its subsequent editions). Some images of the 1934 edition of this book are pictured above.

The top of the first recto page reads as follows: "The Department of Finance, Acting on the Instructions of the SUMMARY

REGULATIONS. By Authority of an Act of the JP MORGAN BANK AND COMPANY. Legislature approved by the Secretary of the Treasury."

The JPMorgan Blue Book is said to be the covert world authority text which establishes the human bloodlines to which the entire wealth of the planet ultimately belongs. Some of these self-appointed bloodlines are of "royal" origin; many are not.

Family names which feature prominently in the text are understood to include: Rothschild (Bauer or Bower), Bruce, Cavendish (Kennedy), De Medici, Hanover, Hapsburg (Habsburg), Krupp, Plantagenet, Rockefeller, Romanov, Sinclair (St Clair), Warburg (del Banco) and Windsor (Saxe-Coburg-Gotha).

These elite and exclusive reptilian bloodlines (the "Illuminati" dynasties) have run the hidden finances and slave-systems of the planet for many millennia, way back into what their mainstream controlled historians call "pre-history." Notice the absence of Asian names on the list.

Very little is available (yet) on searchable open-access websites about the JPMorgan Blue Book. The pictures of the 1934 edition above were released by Neil Keenan in an email to Drake Bailey on Saturday 18th August 2012 (text here).

In that email, Keenan notes: "Blue Book established the blood lines. Queen E and Bill C are in it...Most of the Royal Families are in it. They have kept the money amongst the families from the very beginning."

For chronological reasons, the particular 1934 edition of the JPMorgan Blue Book, which Neil Keenan provides images of, cannot explicitly name Queen Elizabeth II of England (Elizabeth Windsor) or US President Bill Clinton. In 1934, Elizabeth Windsor was only eight years old, and the 1936 Edward Windsor / Wallis Simpson abdication crisis had not yet occurred. So, at that stage, Elizabeth Windsor's route to the

English throne was far from clear, although her German (Nazi) bloodline was well-established through the Saxe-Coburg-Gotha lineage. And in 1934, Bill Clinton was not born. It must be supposed that both these individuals feature in more recent editions of the JPMorgan Blue Book.

People sometimes ask who Neil Keenan is. Keenan is a 61-year-old American White Hat and patriot working with the Monaco Colloquium group of 150 nations (including the BRICS and the Non Aligned Movement), the Asian Dragon Family, the Swiss Financial Authorities and the estate of President Sukarno of Indonesia. He is assisting them to remove the private Western G5 banking cartel and to change the global financial system from its current, Illuminati-driven, debt-based fiat paper carousel to a more benign, gold-backed currency system which gives fair play to all persons and nations regardless of bloodline.

Neil Francis Keenan was born in Rhode Island, USA, on the 10th September 1951, and is the bearer of Ireland passport No 4066301. An indication of his cabal-perceived importance and effectiveness came at the end of August 2012. An Italian wet team working for the former Italian Prime Minister Silvio Berlusconi tried to assassinate Neil Keenan at his home in Bulgaria. Among other things, a virus bioweapon was deployed. Keenan and his family survived, but they were hospitalised for several days with a lung infection.

The JP Morgan Bank Blue Book also calls itself "The Secret Book of Redemption." The word "redemption" here has several layers of meaning, some of which are occult. But in the trade vernacular of banking and business, redemption means the repayment of a debt, the purchasing back of something which has been previously sold (or lost), the recovery of something pawned or mortgaged, or the payment of an obligation - as in a sovereign government's payment of the value of its bonds. In 1934, a series of bonds was issued by the JP Morgan Bank. In recent decades, the claimed method of redemption of these bonds has been obfuscated.

The JPMorgan Bank Blue Book is called The Secret Book of Redemption because it details the hidden machinations whereby global debt management can be manipulated to benefit the élite banking bloodlines and disadvantage the goyim (the sheeple).

NICE PLACE, SHAME ABOUT THE CESSPIT

By David Icke

There is such a fundamental difference between the perspectives of what we call 'Mind' and the higher levels of awareness that I call Consciousness. Mind can only see the next turn on the river, while Consciousness can see the whole journey from source to ocean.

This is why events experienced by Mind as problems, challenges, mistakes and 'things going wrong' can turn out to be 'blessings in disguise'. They are 'in disguise' to Mind, but not to Consciousness, which can see where it is all leading.

In the same way, we may live somewhere or do something for what Mind thinks are certain reasons, but the location or action can later be seen in a very different light. So it is with my long-time location, the Isle of Wight off the south coast of England, a few miles across the sea from Portsmouth and Southampton.

I have had a virtually life-long association with the 'Holiday Isle' and I have great love for the place. It has been such a central part of my soon-to-be 58 years in this reality.

I was born in the city of Leicester in the English East Midlands and brought up on a council estate with lots of other kids from what they call 'working class' homes. We were skint most of the time, but when we could afford a holiday my father always took us to the Isle of Wight.

The famous Needles lighthouse and rocks off the Isle of Wight I fell in love with the place while I was still well in single figures. The first attraction were the ferries running constantly to and from the mainland and the steam trains that used to run all over the island at one time.

Among my earliest memories are playing Isle of Wight ferries in the paddling pool at infant school and sitting on the deck of a paddle steamer ferry in the 1950s heading home after a holiday in Ryde, the town where I have lived since the early 1980s.

The Isle of Wight was a paradise for a kid who loved steam trains and it was the nearest you will see to a real life Thomas the Tank Engine with the little black tank engines all the same and each named after a place on the island.

I used to stand for hours while my family was on the beach watching the trains going up and down Ryde's long pier to meet the ferries that would then shuttle enormous numbers of people to the island in the summer.

A steam train on Ryde pier seen from the place where I used to stand I had my honeymoon on the island when I married Linda in the early 1970s and it was always my dream to live here. I thought it was because I loved the place, but from a bigger perspective the reason turned out to be very different.

It was after I moved here the best part of 30 years ago that events began to unfold that led to what I do today. It was my love for the island that started it all, really.

I quickly saw how the island's beauty and uniqueness were being destroyed by appalling development and building designs that were seriously not in sync with what was already there.

The island has many old and beautiful villages, but they were putting off-the-peg, standard-issue buildings in among the unique ones and spoiling the whole look and feel of the place.

I started a pressure group with others called Island Watch to challenge the worst of the planning applications. It wasn't a case of stopping development, but what kind of development and where.

This is when I first realised that the Freemasons control the Isle of Wight on a massive scale. Freemasonry is at the centre of what is known locally as the 'Island Mafia'.

The Freemasons controlled the council planning committee and the council itself. Decisions would be made in the lodge during the day by Freemasons from 'opposing' parties and they would play out a farce of a public 'debate' at the council meeting in the evening before voting for what had been agreed at the lodge.

It became clear pretty quickly that winning the argument was irrelevant. This was not about debate and information, but pre-ordained decisions. This was why I started a branch of the Green Party on the island - to get people who were not Freemasons, or gofers for them, onto the council.

It was incredibly difficult, but we managed to secure the first ever Green Party member of a County Council in the UK, a man who, while not a Freemason, turned out to be a very strange guy in the end.

But had he been the greatest politician in history he would have struggled in the face of the 'Island Mafia', a corrupt coalition of Freemasons, lawyers, very dodgy business people, drug runners and dealers, paedophiles and Satanists. Nice people.

How do they get away with it? The Isle of Wight (Freemasonic) police force is one of the most corrupt in Britain and the main local media is controlled by the Freemasons.

The Freemasons' lodge in the island 'capital', Newport. The scale of Freemasonic activity and membership on the Isle of Wight is extraordinary. Martin Short wrote in his 1995 book, *Inside the Brotherhood*:

'The island's sixteen Craft lodges claim 1,500 members. Wight's entire population is only 110,000 of whom some 40,000 are adult males, so one man in twenty-seven must be a Mason. If we discount unlikely Masonic recruiting material (men under twenty-five, the poor, derelicts and most inmates in Albany and Parkhurst jails) the ratio comes down to one in ten. Most are in business, local government, the police and the law, so it follows that a very large percentage of all island business goes through Masonic hands.'

The Isle of Wight is a world within a world. Its public face is of a lovely holiday island, a quiet backwater off the English coast where nothing much goes on compared with, say, a mainland city. Its hidden face is a cesspit of corruption, Satanism and paedophilia of international significance.

The drug-running that goes on here is truly staggering. Drugs are brought in by yachts and boats in apparently amazing quantities and then delivered to the mainland by 'couriers' of various kinds who do it for money or drugs, often using the public ferries, including the hovercraft service.

The Isle of Wight hovercraft route is one of the sea-crossing services that couriers use to take the drugs landed on the Isle of Wight to the mainland

One person with insider knowledge estimated that drugs worth an astonishing £500 million pass through the Isle of Wight every year and the drug busts that come to light (a fraction of what's involved) appear to support that figure.

Cocaine seems to be the main cargo and drug-of-choice, but if you can sniff it, swallow it or stick it your arm you'll find it passing through the Isle of Wight.

There are properties all over the island that appear to be owned by the people on the legal papers, but in fact are fronts for the Island Mafia to launder drug money. It is the same with many businesses.

A group of Isle of Wight lawyers and 'business people' have been charged and bailed for money laundering and fraud and local police officers suspended for the same reason, I am told, but hardly a word appeared in the local media.

Freemasonic and drug networks connect into the Satanic and paedophile rings as they mirror the ring-within-ring blueprint that you find all over the world.

The Olympic rings are an excellent symbol of how the various networks connect

I have been aware for a very long time of the widespread Satanic activity on the Isle of Wight and some years back even the major UK tabloid, the *News of the World*, did a double page spread about how Satanists control the island council and business.

The paper was quoting an interview with an island 'community worker' who said that these Satanic sacrificers of children were pillars of the local community, owners of seaside hotels, business people, local government officers, and politicians (the 'Island Mafia').

She described the breeding programmes on the island in which babies are bred for sacrifice through women held captive and how all this connected into the paedophile and drug smuggling rings. Detective Chief Inspector Neil Kingman was quoted by the paper as saying:

'I have met the community worker several times and interviewed other people regarding this matter.

I have no reason to doubt what I am being told.'

Nor should he.

The Isle of Wight is just 23 miles by 13, but what goes on in that small area beggars belief and it is no accident that so many famous people and Illuminati operatives come here.

The former British Prime Minister, the late Ted Heath, was a regular visitor and, as I have said in my books, he was a notorious Satanist and child killer. When I first said this in *The Biggest Secret* in 1998 a reporter from the Isle of Wight County Press contacted Heath to tell him. What did Heath do? Nothing. Why? Because it was true.

What did the County Press reporter do? She rubbished the idea of Heath being a Satanic child-killer while doing absolutely no research and condemned me for basically being horrible to a nice old man. But, then, the reporter in question is a well-known source of bile and idiocy. Or perhaps more, maybe. We shall see.

The main supply line of children for the global Satanic and paedophile rings are the Social Services networks and, of course, as a prime and extreme example of the global blueprint, the Isle of Wight is no different.

The ugly Isle of Wight council building in Newport

The island Social Services is a vehicle for the Satanists and paedophiles and its main role is not to protect the island's children, but to protect the Satanists and paedophiles from exposure.

I have just come across a classic case in which the island 'SS' has systematically undermined a mother who had reported how her child had been sexually abused by the father for years. That child has now been taken from the mother and into 'care' (yeah, right) by Social Services while the father roams free unchallenged.

The story of this mother and child is not even rare - and certainly not here. The State stealing children from parents is becoming commonplace all over the world.

Satanist and paedophile rings always seek to control social services all over the world to (a) supply children for the rings and (b) cover up the rings' activities. They certainly do so on the Isle of Wight.

But there is an even bigger picture to understand about this place. What I have been describing here are events in what I call the holographic 'play out' realm of 'physical' reality.

These are just the expression of the energy/consciousness information construct in the vibrational, waveform or non-'physical' realms - what I have called in my new book, the 'Metaphysical Universe'.

It is from this unseen information construct that the 'physical' world is made manifest through the decoding system of the body-computer, very much along the lines, in theme, though not detail, of the Matrix movie trilogy.

While we see everything as 'physical' events, the 'place' where it all originates is the energy information construct and that's why the Illuminati families expend so much time and effort manipulating this construct because if you want to affect all of the fish together you need to affect the sea - in this case the energy sea - in which we all live.

One level of this is the Earth's energy grid made up of what are called ley lines or meridians. Where these lines cross are the 'power points' on the grid which create a vortex of energy as the flows intersect and interact.

Where lots of lines cross are obviously the most powerful places and these were marked by the ancients with standing stone circles, pyramids and so on. This was done to access the energy and, I would suggest, often to block and dilute the natural power of the energy as part of systematic human suppression and disconnection from higher realities.

The power of the energy in and around this planet is not what it was aeons ago and I explain why in detail in *Human Race Get Off Your Knees*. The process of restoring that energy is now well underway and it is going to change life on Earth - for the better.

I have learned over the years that the Isle of Wight is a major point on the Earth grid, or rather its meridian system is. Zulu shaman, Credo Mutwa, knew about the Isle of Wight and its significance when I first met him and other such people around the world are the same.

When I say major point, I mean major in terms of global importance and that is why this little island is home to such an enormous Freemasonic/Satanic/paedophile network that connects out into mainland Britain and Europe and across the world.

The Isle of Wight Freemasons (those in the 'know' anyway) and Satanists work to keep the energy grid closed and suppressed at this crucial intersection on the global grid by their rituals and other energetically-malevolent activities.

The 'Confessions of a Satanist' document that I include as an appendix in my new book says: 'What most people do not realise is that Satanism is a ritually based practice and that this repetition has - over time - left strong impressions upon the Morphic Field!'

It certainly has on the Isle of Wight. The Satanists manipulate the energy field into greater density and this distorted vibrational state manifests in one expression as the distorted 'values' of the Island Mafia.

Ellis Taylor, a researcher who has specialised in these subjects, apparently identified a ley line going through the collection of high-security and other prisons on the outskirts of the island 'capital', Newport.

The island prison complex

The Satanists within government at all levels arrange for energetically negative and disruptive constructions to be placed on these lines - like prisons, Freemasonic lodges, nuclear power stations, major road intersections and so on to suppress, disrupt and negatively-charge the energy flows.

Satanic rituals are performed on these lines and their vortex points to do the same and the Isle of Wight is a prime example. It is an energy network of global importance and so it has imposed upon it a Freemasonic/Satanic presence of global importance.

Most of the hangers on, gofers and low life connected to these rings have no idea about this, nor the genuine Freemasons who have been fundamentally misled about their 'Craft'. But those at the centre do.

Islands are especially powerful energetically because, by their nature, they are surrounded by seawater which, thanks to its mineral content, is an excellent conductor and collector of energy.

I have known for 20 years that I had been so connected to the Isle of Wight all my life for a reason I hadn't realised before then - the island's energy network that operates in conjunction with the British Isles in general as a heart-centre in the global grid.

I had a picture in my mind the other day of the Isle of Wight with a giant cork stuck in it. It was symbolic of the way the energy flows through this 'heart-centre' have been corked.

But the times are changing energetically ever more powerfully thanks to what I call the Truth Vibrations and in the next ten years, or more likely

earlier, the cork is coming out and the effect on the global energy 'sea' will be profound.

Island Mafia - enjoy it while you still can.

I guess I have an obsession with this castle, it appears that the owner does everything that they can to keep it invisible. Almost every image of it has been removed from the internet, as soon as a good video appears about it on Youtube it is aken down. The images here have been

I've discovered through research that the castle is owned by Solvay, the people who provide us with controversial antidepressant, for example Prozac and Paroxetine. Drugs which have been held responsible for the spurge of mass killings being witnessed in schools and universities around the world. Solvay also provide Children's camps across the globe and interestingly in Brussels. Would you trust these people to look after your child?

Strangely, Fritz Springmeier is not the only one to mention this castle. In their 2001 book dedicated to the Dutroux affair, "Dossier pédophilie. Le scandale de l'affaire Dutroux" (Paedophilia File: The Scandal of the Dutroux Affair) p. 259, Jean Nicolas and Frédéric Lavachery also mention the Amerois castle as a place where satanic ritual parties with children sacrifices allegedly took place. A report of the Dutroux affair refers to the letter of a retired gendarme talking about his castle. At the beginning of April 1996, he hosted a Mexican priest. A Dutch friend of the priest came to pick him up. The Dutch mentioned the Château des Amerois as a place where satanic soirées took place with children sacrifices. An American from the NATO, who allegedly took part to one of these parties and felt disgusted, gave this information to the Dutch.

Is Belgium (headquarters of NATO) also the headquarters of Satanism? Can someone check?? If what Icke said is true that Satanism is the ruling hierarchy of the Brotherhood pyramid under the command of the reptilians and Belgium is the headquarters of Satanism. It is very serious. It means NATO may be controlled by malevolent

f o r c e s a s
army of world domination (is this assault on Yugoslavia a celebration to mark its 50 year old anniversary??) To Russia, the Arabs, China, Asia. This has to be scrutinized fully. You must as caution build an equally great air, ground and sea assault force to oppose a NATO supremacy and slow assimilation of your culture into the NWO [& reptilian?] collective. (Before continuing. Read the message "Littleton Massacre and Reptilian/Satanism Connection" for an explanation of the possible Satanism, Reptilian connection (and the mechanism involving blooddrinking, sacrifices to feed the dark gods in the 4th dimension).

The following for scrutiny. Icke (David Icke - ed.) wrote:

" The reason that Belgium is a headquarters for Satanism and so many Brotherhood institutions is very simple. The Brotherhood created Belgium for just this reason in 1831 and they imposed upon it a reptilian 'royal' line, the House of Saxe-Coburg-Gotha, the bloodline of the British royal family and, through its branch in Prussia, the supporters of Adam Weishaupt, the founder of the Bavarian Illuminati. The paedophile murder ring which came to light in Belgium in 1996 is but one part of the Satanic network operating from and in that country.

It was organised by Marc Dutroux, who is connected to the Satanic Order, of Abrasax, based in the village of Forchies-la-Marche near Charleroi in southern Belgium not far from the Castle of Darkness. Abrasax is Abraxas, a fat-bellied demon from whom, it is likely, the magicians term, abracadabra, originated. Dutroux buried alive an accomplice, Bernard Weinstein, and among Weinstein's effects was a letter from the Abrasax group signed by someone describing himself as the Egyptian god, Anubis. It ordered him to provide 'presents' for the High Priestess of the Order and apparently gave specific details of, the age and sex the victims must be. The British Sunday Times reported the accounts of witnesses describing, Black Masses in which children were killed in front of audiences which included, prominent members of Belgian society ." A Belgian newspaper reported, that a former commissioner of the European Union was among a group of judges, senior politicians, lawyers, and policemen, who attended orgies at a Belgian chateau organised by Michel Nihoul, one of the accomplices of Marc Dutroux, the alleged leader of the paedophile ring. One investigator said it was "Like going back to the Middle Ages"."

In fact there has not been an old, middle, and modern age with regard to these rituals. It, is a seamless flow over thousands of years under the control of the same bloodlines. Human skulls were found at the sacrificial sites identified by witnesses, particularly at the sects headquarters. The Satanic group behind the Belgian murders is said to interconnect with similar rings in Holland, Germany, and America." In truth, it will be part of the global network which operates in all countries. Satanism is run like a transnational corporation.

What is called Satanism is the ruling hierarchy of the Brotherhood pyramid under the command of the reptilians. Like all the other parts of the network, it is strictly compartmentalised, The highest levels of the Satanic network lock into the highest levels of the Brotherhood, but the lower degrees are not allowed to know the true nature of the organisations they are involved in. Some of the levels of Satanism are known as the Sisters of Light, the Five Star Generals, Master Counsellors, Keeper of the Books, Keeper of the Seals, and there is one position called an Asmodeus."

One of the global centres of Satanism is the Castle of Darkness, the Chateau des Amerois or Castle of Kings in Belgium, near the appropriately named village of Muno Bel. The castle is close to the French border and some 20 kilometres from Luxemburg. It is protected from view by thick forests and guards keep out the curious. In the grounds is a cathedral with a dome containing 1,000 lights. When President George Bush talked of 1,000 points of light, he was speaking in code about this place of initiation for the highest initiates of the Satanic pyramid. In this Satanic cathedral is the throne of the high priestess of the upper hierarchy, a position known as the Queen Mother." Every day, apparently, a child is sacrificed in the basement." Ceremonies are performed here to the Satanic 'goddess' known as Lilith, a demon in the Hebrew Cabala. In ancient Sumer the reptilian bloodline, as passed on through the female, was symbolised as lily and the main reptilian gene carriers were given names like Lilith, Lill, Lilutu and Lillette. Another demon used by some 'Mothers' is called Bilair, Bilar, and Bilid, cabalistic names for the force others call Satan, etc." It is from these lands in Belgium and northern France that the bloodline families came, including the Bruces, to take over Scotland all those centuries ago. Belgium, this little country between France and the Netherlands, is also the home of the European Union, NATO, and, I am told, a massive computer centre where databases on all the people of the world are being compiled. It is known apparently as 'the Beast' and there are a number of these around the world. An Elite mind control operation called the Janus Group is also based in the NATO headquarters. Nimrod was Eannus, the god with two faces, who was later known to the Romans as Janus.

This domain still belongs to the Solvay family. The document below shows an authorization was delivered in 2005 to Denis Solvay to hunt deer on the Amerois domain (October 23, November 13 and December 4).

Denis Solvay (born on 1 July 1957) is vice-president of the Solvay Group, Chief Executive Officer of Abelag Aviation and Director of Eurogentec (a biotechnology company).

There are more intriguing pieces of information. According to the Grand Duchy of Luxembourg official bulletin (28 December 2001), Patrick Solvay, shareholder of the Solvay Group, who lives in the Amerois castle (1, Les Amerois, B-6830 Bouillon (Belgium)) founded a company with Alexander de Wit, on July 3rd 2001. The name of this company is Itaca International. Through this holding company, Patrick Solvay is the main shareholder of The Little Gym, which organizes activities for children with summer and holiday camps. On May 1st 2004, Itaca International's registered office was transferred to Bertrange (5 rue Pletzer, L-8080 Bertrange). This address corresponds to The Little Gym, located at the very same place. It seems that the former name of Itaca International was "The LifeSkills Company", which also belonged to Patrick Solvay. This is rather weird when you think about what Fritz Springmeier and a police report of the Dutroux affair told about the Amerois castle.

There were pictures of the Amerois castle available at globalview.be, but they have been deleted. You can only find their traces in Google's cached snapshots. There are weird things going on in this area. There are many testimonies recorded during the Dutroux affair pointing to orgies organized in castles. Michel Nihoul, Marc Dutroux's accomplice, organized orgies in his Faulx-les-Tombes castle. Children corpses have been exhumed in the park of the Château du Sautou, close to the Belgium border, which was the property of the serial killer Michel Fourniret.

END

There is something quite odd about this story! Odd because: Lilith is a Demon in Jewish mythology, not a goddess. She is said to be Inanna/Ishtar of the Sumerian pantheon, and the Jews sacrificed to Moloch NOT Abraxas. Abraxas, in ancient Greek means 'sum total of power' and was the name of a Hyperborean/Scythian high priest/druid of Apollo, the teacher of Pythagoras (to whom he taught the Helio-Centric Principle). He is also known as 'Ap Rees' in Welsh Gaélic and 'Abaris' in English. Apollo rewarded him for his songs of praise with a golden arrow (or lance) by which he could fly in the air. The druids were priests of the Temple of Apollo in Greece, Egypt and Ireland (Scotia/Hyperboria) in pre-christian times. Abraxas is said to be the constructor of 'Choir Gaure', Stone Henge. The Scythians were the ancestors of the Irish/Scots not Jews

The cock's head is the symbol of the Gaél, Galli, Gaul, and Gallatian 'fighting cock', (Il de Bello Gallico - The Fighting Cock). They were sword makers and metal workers of antiquity. They were descendants of the Chalybians also known as Tibarenians. In Genesis X 2, their land is called Tubal (Tubal = Tibar) and 'Tubal Cain' stands for the Tibarenians who moved down from Armenia into Cainan with the Hyksos hordes. (Ref. see: 1)Robert Graves - The Greek Myths 2)Peter Beresford-Ellis - The Secret of the Druids).

NB. There is no written or oral evidence that the druid/priests made human sacrifices to anyone. It is a hotly contested slur. See: Peter Beresford Ellis.

Why are Illuminati Jews organising sacrifices to Abraxas instead of Moloch? Is this a part of the Mind Control programme? R

Is Madeleine McCann being held here? The Castle used to be the property of Prince Phillipe of Saxe-Coburg-Gotha (this was the Queen of England's original surname before changing it to Windsor). R

Also: from freedomcrowsnest forum at <http://www.freedomcrowsnest.org/forum/viewtopic.php?t=9693>.

" Presently, the Bush twins are 19 years old; and in the Illuminati hierarchical structure they are being trained/programmed to become "Mothers of Darkness". A "Sealing Ritual" is required for females in the satanic bloodlines at age 19.

An Illuminati multiple will carry on ritual functions at a number of different levels in the occult. There will be different alters for different levels and different ritual dates. The back part of a hierarchy system will not be worked until a sealing ceremony involving Egyptian magic at the age of 19 in late Apr.-May...

Between age 16 and 19 the deep Satanic alters are working on "pathworking." This pathworking will be completed before they are 19. The ceremony at 19 will include the 1,000 points of light ceremony at the super secret Mother-of-Darkness castle of Chateau des Amerois (Castle of Kings) close to the Belgium-French border in Europe and about 20 kilometers as the crow flies west from Luxemburg. This will be a sealing ceremony with the Mothers dressed in black. Guards and heavy forest protect the large castle from view. The people in the nearby spooky village of Munro, Bel. basically belong to the castle. The castle has a cathedral inside with a dome with 1,000 lights. The words 1,000 lights is an Illuminati buzz word. When the President used it to describe the White House's Christmas tree, hierarchy people knew what he was signalling. The cathedral has a great hall with columns on either side, and the Queen Mother's throne will be set up there....

(Springmeier and Wheeler, *Deeper Insights*; Volume II, pp. 204,213)

According to Luciferian tradition, Jenna and Barbara Bush should have been flown to Belgium by their parents to take part in their Mothers of Darkness 'Sealing Ritual' on schedule. The optimum date would be around May 1, the satanic holiday of Beltaine. They were, however still attending college at the time (Jenna in Texas and Barbara at Yale). This event would therefore have to be postponed to approximately one month later. Great detail is put into all Illuminati plans to avoid exposure and make things look natural. A full proof cover story is always given....."

2005

(NB. Ed) Beltaine is not a satanic holiday, it is a Gaélic pre-Christian festival.

See Wikipedia: "As an ancient Gaelic festival, Bealtaine was celebrated in Ireland, Scotland and the Isle of Man."

(Ed) It was also celebrated in all parts of Britain and Europe where the ancient Gaél lived.

So why are Illuminati Jews and Zionists following ancient Irish customs?

The Sacred King and the Craft
by Amphion, High Priest, Sable Star

It is a well known fact that in ancient times man often revered his kings as vessels, incarnate manifestations of the ancient powers of the land, and Gods. In the halcyon days of ancient Egypt, the Pharoah was viewed by his subjects as Horus, the son of the Gods. He was sired by Amun, and after his death he was glorified, known ever after as Osiris. In the days of the Roman Empire, emperors were often deified. Augustus, Claudius and even Livia, wife of Augustus, were vererated by not only Romans but also by conquered peoples as divine in nature. In Japan, even in the 20th century, the emperor was held to be divine by his subjects. The same belief was also held by peoples such as the Babylonians, the Maya and the Aztecs. But what of Britain, spiritual home and land of origin of the Craft practiced by so many today? Was the concept of a Divine King held by the peoples of ancient Britain as

well? In this essay I will attempt to prove that this is so, and relate this concept to the practice of the Craft today.

Basic Ideas

To begin, allow me to examine the concepts surrounding the idea of a Sacred King. To our ancient ancestors, all things--life, food, home, survival--depended upon the land. From it was born all things, from the animals and plants that provided food to the stones and metals used for building and the waters that sustained life. Naturally enough, our ancient ancestors personified the land as female, the well known concept of the Earth Mother. The celebrated 'womb and tomb' concept embodied the Earth Mother well in such cultures as the Greek (Gaea), the Roman (Terra) and many others (a little research online or in a library will turn up a vast number of Earth goddesses to anyone willing to put in a little work).

Now, being observant as the ancients of Britian were, and knowing that life could not be without both male and female, they knew that someone or something had to fill the role of male. This role fell naturally enough to the priesthood, and since at that time Priest-Kings were not uncommon, a man who combined secular and spiritual power made a logical choice as consort of the land. So then, the Sacred Marriage developed, a rite in which the King married the land itself, becoming consort of the Earth Mother and therefore father of all.

Now, again looking to manifest nature to divine the spiritual, our ancestors noticed that women did not remain fertile forever. Sooner or later, as the years took their toll, a woman lost the ability to become pregnant. The man, however, could father children even in the most advanced stages of age. Obviously, to our ancestors, there was a power still resident within the male, a power that persisted. Now, it was believed that as time wore on, the land itself would experience a state of 'menopause', losing its ability to bring forth crops and surrendering its fertility to the ravages of age. No longer were the efforts of the King enough to fertilize the land, yet that power still rested within him. The land needed new life, life that could only be found within the body of

the king himself. The ancients also believed that life resided in the blood; that fluid was sacred, for every birth occurred in a bath of blood, and its loss resulted in death. The blood of the king therefore had the ability to re-fecundate the land. So it was that the sacrifice of the king would save his people and reforge the life of the land.

In ancient Egypt, a pharaoh who reigned a full 30 years held a heb-sed (festival), a great socio-magical celebration designed to renew and replenish his power. But in Britain, the sacred number was not 30 but was rather seven. (This number remains significant to modern Craft initiates of several traditions of British origin, but I will not reveal that significance here. Let the seekers seek.) So it was that the Sacred King would reign for seven years, enjoying the power and privileges of an incarnate God, until the time of sacrifice approached. Then, he laid down his life for the land, allowing his divine blood to be spilled out upon the earth, bringing life to it again.

As time passed, it became no longer necessary to sacrifice the King. Rather, if he was still needed by his people, the king was able to appoint a sacred substitute, a willing stand-in who would die in the place of the King. Naturally enough, if the identity of this substitute was known, he would also be viewed as an incarnate God, appointed by the Divine (royal) lord of the land. A measure of secular power would be given to the substitute, who, for seven years, could reign with almost as much power as the god-king himself. So then, for each seven years the king reigned, he could either offer himself up or provide a willing substitute. We shall examine possible historical examples of this arrangement further on in this essay.

The Arthurian Connection

Anyone familiar with the origin Arthurian myths will have experienced a mythological tale of great complexity, one that embodies many of the concepts inherent to the British racial unconscious. One of these is the concept of the Sacred King. (If you, the reader, are not familiar with the original Arthurian myth, make it your mission in life to see the 1980

movie 'Excalibur', which deals well with the Sacred King principle). The Arthurian tale relates to us the marriage of Arthur with the land. We know Excalibur, the Sword of Kings, from childhood tales, but what does it represent? Simply, Excalibur represents the divine power inherent in the King. Modern students of the Craft can see this in the Sword used in ritual, the wielder of which is the ruler of the Circle (the circle, in ceremonial magickal symbolism, also represents the universe the witch or magus has created, beoming the macrocosm of the universe he creates by force of Will). It is well known that the term 'Grail', that potent cauldron or cup sought by Arthur and his knights, comes from the word 'graal'. This term, as has been put forth by numerous authors, has its roots in the Old French term, 'sang raal', or 'royal blood'. The connection becomes rather obvious. So then, looking simply at the Sacred King threads in the Arthurian tapestry, we see that Arthur is a king wielding Divine power (Excalibur), his quest to heal the land being accomplished through the Grail (royal blood). Let it be remembered that when Arthur dies, Excalibur (his divinity) is returned to the Lady of the Lake (the Goddess manifest), and the cycle comes full circle. Now, Arthur's champion was Launcelot du Lac (Launcelot of the Lake); we could look at him as the personification of Arthur's strength and power. When Gwenhwyfar betrayed the king with Launcelot, we could certainly view this as a metaphor for Arthur's weakening as his time of sacrifice approached. Morgana leFey ('fey', of course referring to the indigenous people of Britian, the spiritual ancestors of the Wica--see 'The God of the Witches' by Margaret Murray) naturally enough represents the Goddess as well, in the capacity of priestess (it is a shame that she has been vilified by Christianization of the Arthurian tale). Her child by Arthur, Mordred, ultimately slays his father, and we shall see further on that the office of slayer of the Sacred King is as important a role as the King himself. Is it not fitting that the slayer of the Sacred King be of the line of the Goddess' priesthood and that of the Sacred king himself?

Also, the number of knights centered around Arthur also bears a distinct Craft connection. Twelve knights, plus Arthur, make a total of 13; the

number of witches traditionally associated with a 'full' coven is of course 13. This will also become significant as we continue.

The Most Noble Order of the Garter

The Order of the Garter, the highest order of British chivalry, was founded in 1348 by King Edward III under most interesting circumstances. The story reads as follows:

"King Edward III was holding a great dance at Windsor Castle and many noble lords and ladies were in attendance. During this dance, the Countess of Salisbury (there is debate as to who the lady actually was; some say it was Joan Plantagenet, the Maid of Kent; others have proposed Queen Phillipa of Spain. The author is of the opinion that Joan is the correct one) found that her garter had slipped off her leg and was laying upon the floor. Seeing her embarrassment, the King picked up her garter and buckled it onto his own leg, saying the immortal words, "Honi soit qui mal y pense!", meaning 'Evil to him who evil thinks of it!'. The King proclaimed that he would make this garter the most honoured on ever worn, and so founded the Order of the Garter."

Now then, to the initiates of the British witch-cult, there are a few glaring points that bear further study. At this time, there was absolutely no reason for a woman at court to be embarrassed by the mere losing of a garter (and it should be clarified that a garter is meant, not a garter belt). The prudishness of Victorian times was centuries away, and indeed, even up to the reign of King George IV (1820-1830) men and women swan naked together without shame; it is therefore unlikely that a mere slipped garter would have been worthy of a great deal of fuss. Now, Craft initiates are familiar with the symbolism of a garter within the Craft itself. A high priestess of the witch-cult wears a garter buckled to her leg as a symbol of her authority. In this context, and this one alone, we might understand the lady's embarrassment. Her distinctive lost garter would have marked her as a high priestess of the witches, and therefore quite possibly placed her in great danger. By placing the garter upon his leg, King Edward would have placed her under his personal

protection, certainly a bold step for the monarch and one of great significance to the witches of Britian.

King Edward decided that the Order would be made of of 24 knights, organized into two groups of twelve, one under the auspices of the Prince of Wales, the other directly under the monarch himself. Observant readers will have noticed that this makes two full covens of thirteen. In addition to this, the robe worn by the monarch is covered with 169 small garters or ribbons; 169 being of course 13 times 13. Numerologically, as a point of interest, this reduces to 7 ($1+6+9=16$ $1+6=7$), and so brings us back to the sacred number of the Sacred King as well. It is doubtful that this was lost on the witches of the time, just as it has not been lost on us today.

In more recent times, the Order of the Garter's membership has been expanded to include the 'poor knights', now called the 'military knights'. Interestingly enough, they have been organized into coven-sized groups as well. An interesting exploration of the Sacred King principle, especially as relating to the Order of the Garter, can be found in the fictional work 'Lammas Night' by Katherine Kurtz. It is certainly worth reading for any witch. In this book, she puts forth the tale of a magical working against Hitler's planned invasion of Britain in World War II. Kurtz combines the historical Lammas Working of the New Forest Coven (the one into which Gerald Gardner was initiated) with the Sacred King principle and one of reincarnation.

Criteria of a King's Sacrifice

It would appear that certain criteria would exist for the sacrifice of a Sacred King must be met in order for the blood to fulfill its goal. Firstly, the king must be either the ruler of the land, or a duly appointed substitute, in which case the sacrifice must be willing. A forced sacrifice carries no weight, in this situation as well as in the ritual Circle. Secondly, the blood of the Sacred King had to be spilled upon the ground. In a psycho-magical context, this makes perfect sense. The point of the sacrifice was to fecundate, or re-fertilize the land. Naturally,

in order for the magickal effect of the blood to manifest, the blood would have to reach its target. A seed cannot grow without being planted. Thirdly, as has already been stated, the sacrifice had to be a willing one. Obviously, in order for these criteria to be filled, the sacrifice would have had to have great faith in the Old Gods, and the magickal principles making up their faith. Fourthly, in the case of a substitute, the sacrifice must also wield a measure of almost kingly authority. Among practitioners of the Old Religion, this would certainly have been a willingly given gift. In more Christian times, however, it is more likely that appointment by the king to a position of power would have been more likely.

Possible Historical Examples of the Sacred King in Britian

Now that we have examined the basic ideas of the Sacred King theory, and factored in the origins of the Order of the Garter, let us look at possible examples of the Sacred King in British history. Let the reader keep in mind a healthy skeptical view. With all the centuries that have passed, there is no way to verify the true circumstances of any of these cited possibilities. They are presented strictly as interesting instances that could fulfill the potential of Sacred King sacrifices.

William the First, 'the Conqueror', died in the 21st (3×7) year of his reign. Notably, England was never successfully invaded after his reign, and as of 2066, will have been free of conquest for a full millenium. Of course, we know little of attitudes at this time in history, though we know that William I was most certainly a pagan. Also, William's death was caused by a bleeding wound.

Henry the Second, King of England, died at the age of 56 (7×8) in the 35th (7×5) year of his reign. This was not necessarily an example of a sacred king, but the seven year cycles do match up, and also another sacred number of the Old Religion is herein contained, for 8 (the number of seven-years of his age) multiplied by 5 (the number of seven-years of his reign) result in 40. If I may quote from a publically known portion of the Book of Shadows, "...it is not meet to offer less

than 40 strokes to the Gods", referring of course to the scourge. Convoluted to be sure, and smacking of coincidence, but all possible examples of the Sacred King are so.

In 1170, during the reign of Henry II, Thomas a Becket, later to become St Thomas, was killed by the knight Reginald FitzUrse. Seven years before this assassination, Thomas was appointed to the position of archbishop by the king. It does look possible that Becket could have been a sacred substitute. Interestingly enough, Becket underwent a rather profound change in character after his ascent to the archbishopric. He certainly was willing to wield kingly power in his own way. Also interesting, though in no way magickal, is the name of the parish magazine of St Thomas a Becket Church in South Cadbury. The magazine is called 'The Excalibur'. If Becket's death was within the context of a sacred king substitute, however, it must be pointed out that its date does not fit in with a seven year cycle (either in age or regnal year) of the then king, Henry II. Henry II is historically deemed responsible for the death of Becket though.

King William the Second, called William Rufus, died in 1100, as he was entering his 14th (2x7) regnal year. The circumstances surrounding his death are certainly curious. As history records it, William was on a hunting expedition in the New Forest (where Gerald Garder's coven would make their home centuries later) on August 2nd. The tale tells us that William was shot 'accidentally' by his friend, Walter Tyrrel, with a crossbow bolt, which ricocheted off a tree as it flew towards a stag. The tale differs in describing the wound, according to different sources. Some say his eye was pierced, others his chest. Either way, he was killed, and his blood spilled on the earth. Naturally, being the day after Lughnasadh (Lammas), August is a traditional month of sacrifice. Two interesting facts also might jump out at those who see signs and omens in everything: the stag is a symbol of the God of the witches, and William II was most certainly a pagan. His habit of swearing 'by the sweet face of Lucca' (a pagan goddess) was so well known as his most serious oath that enemies were known to capitulate bloodlessly in argument or war upon hearing this oath.

Sir William Wallace, hero of Scotland and brought to life in Mel Gibson's 'Braveheart', has been put forth as a possible sacred substitute by some. They point out that he was killed when Edward I's son, later to become Edward II, was 21 years old and therefore would have 'needed a life' according to some interpretations of the Sacred King. I must point out however, that Wallace would certainly not have been a willing sacrifice, and so I personally must discount any possibility of his death serving as that of a substitute.

The short reigned King John has also been suggested by some as a sacred sacrifice. He did die in his 49th year (7x7), but not in a bloody way. I would therefore discount his death as well, since it is unlikely that a pagan or witch happened to be nearby to spill his blood.

One monarch of Britain who did die in a very curious way was Charles I. This noble king was murdered by the armies of Oliver Cromwell in the 49th (7x7) year of his reign. The details of his death are most curious from the point of view of a priest of the Old Religion. Firstly, Charles died in his Garter Knight robes and accoutrements. As we have already seen, the connection of the Order of the Garter with the Old Religion is a very real possibility, and one Charles might have been aware of. Secondly, when Charles was to be beheaded by the new government of England, he was allowed a final request. He requested that he be allowed to pray, and that he would signal the executioner when he was done, so that the axe could fall. This he did. Since he was not beheaded until he so signalled, it could be pointed out that Charles ordered his own death, thereby reclaiming his authority as king with his last act. Thirdly, though many of the people certainly wished the monarchy to be removed in favour of Cromwell, a great cry of sadness arose from the peasants who witnessed his death, and the crowd surged forward in order to collect his royal blood in rags, clothing or anything handy. This very act proves the peasants at least (it is likely that they would have been the only class still involved in any way with the Old Religion) saw the royal blood as something sacred. This act showed a reverence for Charles I beyond that of simple authority figure. Also interestingly enough, this is the time period when the production of

certain jars may have begun. These jars, some of which are still found in antique collections, bear a man's face very similar to the Green Man images that portray the god of the witches.

British history also contains several other figures that bear interesting Sacred King potential. These include Alfred the Great, a pagan, who died in the 28th year of his reign as he turned 50; George Plantagenet, brother of Edward IV, who was killed in London in the 35th year of Edward's reign; and Henry I, who died in 1135, in the 35th year of his reign. research will certainly produce more possible examples to anyone willing to do the work.

The Sacred King Today

It may then be a source of wonder, for today's witches, as to the Sacred King today. Does that ancient power still reside in the blood of the Royal Family? We cannot say for sure, though it certainly is still a part of the British racial unconscious.

An interesting point, that was slightly modified for Kurtz's book 'Lammas Night' remains concerning the Second World War. The Battle of Britain, raging in full force, was threatening to destroy the United Kingdom. Although documented workings by such people as the New Forest Coven and Dion Fortune took place in an attempt to magically protect Britain, the tide of the battle did not turn until a terrible plane crash occurred in Scotland. At that time, George, Duke of Kent, a younger brother of King George VI, was killed. Some occultists have speculated that this death sealed the Lammas workings of various witches and occultists, and provided a sacrifice that unleashed the magical potential of those workings. They have also speculated that Kent's service in the RAF during wartime revealed a willingness to die for his country, even if it wasn't conscious or expected, that fulfills the criteria for a sacred substitute. Also, George VI was nearing the final year of his seventh seven-year of life, and had just finished his second seven-year as king. And is it any wonder that the Spitfire, the plane that

helped win the Battle of Britain, was powered by the Benz MERLIN motor?

Some interesting points concerning the death of the Princess of Wales in 1997 have also been made to me by certain initiates, especially since Her Majesty, Elizabeth II was at the time entering her 10th seven-year of life, and completing her sixth seven-year as Queen. This I must point out, is not in keeping with a sacred substitute, as Diana did NOT die on British soil.

To Conclude....

British history certainly contains the Sacred King principle; it is a much overlooked example of the Craft mythos. Sacred blood certainly has had an effect, though possibly only in a subconscious way, on the tides of British history in both ancient times and modern.

It would certainly behoove practitioners of the modern Craft to better explore the roots of the religion they profess to practice, and to acknowledge that the Sacred King holds power in the astral world of the Craft, whatever permutation or cultural background is professed by the individual. Although the Royal Family has taken a great deal of flak in this century, it must also be remembered that the scourge has as well, and anyone who has used it properly in its proper context cannot deny its usefulness.

Man, as a species, has always derived great benefits as well as terrors from kingly rulership; but every culture in every area, has always deified their kings. The Craft is no different, though we may have ignored this in modern times. Although we know the monarch is not a god, we cannot help but acknowledge the magical potential of the monarchy. Let the curious read the script of Elizabeth II's coronation ceremony. Those of a magical mindset will see what many do not.

Many of today's witches are enamoured of the Arthurian mythos, but they are almost wholly ignorant of the theodrama that resulted in the

subconscious mind of the race that spawned it. The day will come, as it must, that Arthur will return to save his kingdom in it's darkest hour. We must ask ourselves, will we recognize him and know his sacrifice?

Necator regum sum, et pro regibus necor.

Wijdverspreid! Pedofilie aan de top van de samenleving

Door Redactie op 18 november 2012 – 21:0017 Reacties | 1.137 keer bekeken | Deze post afdrukken .Een van de moeilijkste dingen om uitgelegd te krijgen aan mensen voor wie alternatieve nieuwsmedia relatief nieuw zijn is de duivelse boosaardigheid van de heersende klasse.

Mensen willen nog wel accepteren dat de wereld wordt bestierd door een stel meedogenloze bankiers, misschien ook nog wel dat politici en staatshoofden trekpoppen zijn van het grote geld, en misschien zelfs wel dat de elite zonder moeite hele volken en landen vernietigt om hun machtspositie te consolideren. De planeet vervuilen met verarmd

uranium? Ja hoor. De voedselvoorziening vergiftigen met GGO's. 'Tuurlijk.

Maar een bepaald onderwerp wordt over het algemeen laconiek van tafel geveegd als zijnde manifest onmogelijk: de wezens aan de top van de piramide, inclusief politici en mensen met grote bekendheid, zijn doorlopend – en wijd verspreid – betrokken bij de georganiseerde verkoop, verkrachting, marteling en moord op kinderen. Het bewijs is echter zo overweldigend dat we met z'n allen de moed zullen moeten kunnen opbrengen om ook in de duisterste, smerigste slangenkuil te kijken; een die thuishoort in een beroemd schilderij van Jeroen Bosch, niet in het avondjournaal.

Volgens Missingkids.com worden elk jaar 800.000 kinderen jonger dan 18 als vermist opgegeven – 2.185 per dag. Hun hotline ontvangt dagelijks gemiddeld 580 telefoontjes – 3½ miljoen oproepen sinds de oprichting van de organisatie in 1984. Het moge duidelijk zijn dat we hier te maken hebben met een epidemie van verbijsterende afmetingen.

Toen Fritz Springmeier en David Icke 20 jaar geleden gewag maakten van pedofilienetwerken (zoals ook de vele getuigen in het nooit echt onderzochte Dutroux-schandaal met grote stelligheid beweerden, AP) en gehersenspoelde seksslaven (vaak met openlijk Satanistische omlijsting) in de hoogste echelons van de samenleving, reageerden de meeste lezers met serieuze twijfel en/of werden de aantijgingen simpelweg verworpen. Het zou heel dom van ons zijn wanneer we dat nu weer doen.

Het schandaal rond Jimmy Savile staat momenteel centraal in het openbreken van de beerput. Het schandaal gaat tot in de diepste krochten van de BBC, waardoor de organisatie zich nu gedwongen ziet met slappe excuses te komen waarom het onderzoek van de Newsnightredactie naar een groot aantal beschuldigingen van pedofilie werd gestaakt: er zou "niet voldoende bewijs zijn om te beweren dat seksueel misbruik van kinderen binnen de organisatie wijd verspreid was."

David Icke ziet dat duidelijk anders. Volgens Icke was Savile “de kinderleverancier voor rijke beroemdheden in de wereld van de politiek, entertainment en het koninklijk huis” en kan hij duidelijk in verband worden gebracht met het enorme schandaal rond kindermisbruik in North Wales. In zijn boek ‘The Biggest Secret’ uit 1998 somt Icke een ongelooflijk aantal prominente Amerikaanse en Britse politieke leiders op die in het schandaal een centrale rol spelen. Icke illustreert hoe Savile niet alleen model staat voor een enkele boosaardige persoon die zijn machtspositie misbruikt om de kinderlijke onschuld te vernietigen, maar model staat voor een levensstijl die is geadopteerd door de hoogste echelons in de maatschappij.

De nauwe banden van Savile met de Britse koninklijke familie kunnen onmogelijk ontkend worden, en zelfs de meest sceptische personen zullen zich afvragen hoe het mogelijk is dat mensen op de hoogste posities niet in ieder geval op de hoogte zijn geweest, en de sporen van hetgeen zich afspeelde hebben uitgewist.

Savile zelf blies hoog van de toren over zijn connecties met de koninklijke familie, en het is algemeen bekend dat hij een regelmatige gast was op Buckingham Palace, Kensington Palace (waar prinses Diana leefde na haar mislukte huwelijk met prins Charles), en Highgrove (het landgoed van prins Charles).

Savile zei ooit tegen weekblad Esquire: “Met mij zit het zo dat ik dingen voor elkaar krijg, en dat in alle stilte doe. Ik ken de koninklijke familie al een miljoen jaar.”

Zoals Icke aangeeft spreekt een van Saviles neefjes, Guy Marsden, nu openlijk over wat zich afspeelde op de “pedofiele feestjes” van Savile, met kinderen uit weeshuizen of kindertehuizen.

Voor hen die nog steeds geloven dat Icke niet goed bij zijn hoofd was om te suggereren dat er veel meer aan de hand is: The Telegraph publiceerde onlangs de verklaringen van de politie-inspecteur die Savile ontmaskerde. Hij zei onder andere dat Savile zijn TV-shows opzette met

het specifieke doel toegang te krijgen tot kinderen. De klassieke voorbeelden zijn Top Of The Pops, Savile’s Travels, Jim’ll Fix It – allemaal boden ze Savile toegang tot jonge kinderen. Het is ook de reden dat er zoveel slachtoffers zijn: ten minste 300, en een veelvoud aan nog lopende onderzoeken.

En dit is niet het enige schandaal dat de grote nieuwsdiensten zoals de BBC grotendeels onder het kleed hebben geveegd. Sian Griffiths, een ambtenaar in North Wales, verzamelde bewijzen rond beschuldigingen uit de periode 1991 en 2000. De stapel documenten die ze toont in deze video is verbijsterend. Nog verbijsterender is de doofpotoperatie die volgde nadat enkele hooggeplaatste figuren werden genoemd als bezoekers van de kinderseksfeestjes.

De zaak Jerry Sandusky in de VS toont – weeral – op vele manieren aan dat we niet te maken hebben met een zwakzinnig roofdier, maar met de systematische acceptatie van een perverse levensstijl. Hoe boosaardig Sandusky ook was, het feit dat hij in staat was ten minste vijftien jaar lang ongehinderd zijn gang te gaan dwingt ons de vraag te stellen hoeveel anderen erbij betrokken waren. Sommigen beweren dat zijn pedofiele activiteiten al in de jaren ’70 begonnen. Sandusky en de universiteit waar hij footballtrainer was, Penn State, werden gestraft, maar het was vooral de link met Second Mile (wiens motto luidt: “Providing Children With Help and Hope”) die het allemaal nog zorgwekkender maakt. De getuigenis van een kindprostitutuee (Greg Bucceroni) toont aan dat er nog een andere school bij het schandaal betrokken was en dat het misbruik niet beperkt bleef tot de kleedruimtes van Penn State.

In een email aan Poly Prep (een middelbare school in New York, AP) schrijft Bucceroni dat hij “een kindprostitutuee was” en banden had met een pedofilienetwerk waar Sandusky, Foglietta, de inmiddels overleden zakenman Ed Savitz en de voormalige Wharton School of Business professor Lawrence Scott Ward bij betrokken waren. De laatste zit inmiddels een lange gevangenisstraf uit voor het verspreiden van

kinderporno en smokkel van foto's en video's waarop hij zelf seks heeft met een te jonge Braziliaanse jongen.

“(Tussen) 1977 en 1980 was ik een kindprostitutuee verbonden aan een pedofilienetwerk in drie staten (NYC-NJ-PA). (Tijdens de) zomer van 1979 werd ik door Ed Savitz naar State College gebracht voor seks met Jerry Sandusky tijdens een Second Mile-benefiet,” schreef Bucceroni. “Vanwege tijdgebrek kon Sandusky niet komen en werd ik door Ed Savitz & Jerry Sandusky voorgesteld aan Phil Foglietta. Foglietta werd voorgesteld als coach Phil, die footballtrainer was in NYC. Foglietta betaalde 200 dollar voor de seks en ging met ons mee naar een hotel in Philadelphia, waar coach Phil seks had met mij en een andere kindprostitutuee.”

Bekijk hier een schema dat aantoont wat zich afspeelde op Penn State.

Systematisch, inderdaad.

Ook in Australië vindt inmiddels een uitgebreid onderzoek plaats naar beschuldigingen van kinderseks in “kerken, kindertehuizen van de overheid, scholen, charitatieve organisaties, bij de kindbescherming en de politie”.

De aankondiging van de Australische minister-president een onderzoek in te stellen volgt op beschuldigingen die vorige week geuit werden door een politieagent over een doofpotoperatie van de katholieke kerk omtrent kindermisbruik ten noorden van Sydney.

“Ik kan op basis van mijn eigen ervaringen zeggen dat de kerk zaken in de doofpot stopt, slachtoffers het zwijgen oplegt, politieonderzoek dwarsboomt, daders waarschuwt, bewijzen vernietigt en priesters overplaatst om de goede naam van de kerk te beschermen,” zo schreef hij in een open brief aan de premier van New South Wales, Barry O'Farrell.

Fox, die tientallen jaren kindermisbruik onderzocht, zei “onweerlegbare bewijzen” te hebben dat een aantal bisschoppen betrokken was bij de doofpotoperatie. “Het gaat zelfs nog verder dan dat,” zo zei hij tegenover ABC-television.

Dit rijmt allemaal perfect met hetgeen we al weten over geïnstitutionaliseerd kindermisbruik in organisaties als de Kinderbescherming. Een onderzoek in de VS toonde aan dat ten minste 28% van kinderen die door de staat verzorgd werden misbruikt werden, waarbij de aantallen in enkele staten flink hoger lagen. In de staat Arizona ging het 500 van de 4.000 kinderen die door de staat werden verzorgd. (Bron en meer onderzoek hier)

Maar er is één groep die het best illustreert hoe ver men kan en mag gaan als het gaat om jonge seksslaven, kindermisbruik en elke perverse activiteit die ermee samenhangt: DynCorp. DynCorp is verantwoordelijk voor het aanwerven, opleiden en inzetten van civiele vredeshandhavers en politieinstructeurs in 11 landen, waaronder Haïti, Bosnië, Afghanistan en Irak, in opdracht van het Amerikaanse ministerie van Buitenlandse Zaken.

Klokkenluiders Ben Johnson en Kathryn Bolkovac werden allebei ontslagen nadat ze hadden gepoogd DynCorp-medewerkers en -leidinggevenden te weerhouden van seks met kinderen. Deze kinderen werden opzettelijk ontvoerd uit andere gebieden om te dienen als seksslaaf. Niemand werd echter formeel aangeklaagd, zelfs niet toen meer meldingen aan de oppervlakte kwamen over DynCorp als onderdeel van een groot kinderprostitutienetwerk van internationale hulporganisaties.

Recenter kwam naar buiten dat DynCorp in Afghanistan “boy-play”-feestjes gaf voor nieuwe Afgaanse politierecruten. De praktijken van DynCorp – gefinancierd met belastinggeld – is misschien wel het beste voorbeeld van de roofzuchtige monsters waarmee deze planeet te maken heeft. Ziehier een stamelende Donald Rumsfeld die probeert uit te leggen waarom de Amerikaanse overheid DynCorp blijft

steunen. Ook hier vindt u een uitstekende tweedelige reportage getiteld ‘Children Under Attack’ over het systematische misbruik en de doofpotoperaties.

Het begint er op te lijken dat we onder elke steen die we omdraaien meer en meer gruwelijkheden vinden. Het Jimmy Savile-schandaal heeft de deur geopend naar waarlijk demonische kringen. Het overweldigende aantal getuigenissen schetst over de gehele lijn het beeld van wijdverspreide marteling en verkrachting van kinderen die bij elke normale mens een cognitieve dissonantie teweegbrengt.

Het besef dat er mensen zijn met stropdassen, kronen en uniformen die letterlijk bloeddorstige psychopaten zijn die beruchte adellijken als Elizabeth Bathory en Vlad Dracula bleek zouden doen wegtrekken, is voor een onschuldige geest bijna te veel om te bevatten. En toch lijken er zoveel te zijn dat het er alle schijn van heeft dat het eerder de norm is dan uitzondering. Niet slechts enkele zwakzinnige individuen, maar alomtegenwoordig – vooral wanneer we zien hoeveel mensen en organisaties betrokken blijken bij de enorme doofpotoperatie die nu wordt uitgerold.

We worden geprogrammeerd om bang te zijn van de volgende seriemoordenaar of “eenzame gek” die de straten onveilig maakt, terwijl we er beter aan zouden doen de mensen aan wie we onze belasting betalen en die geacht worden ons te beschermen eens stevig onder de loep te nemen. Zij belagen deze planeet, en ze doen het met velen tegelijk. Dit zijn de ‘mensen’ die er geen probleem mee hebben te liegen om hun land een oorlog te laten beginnen, dagelijks onschuldige burgers de dood in bombarderen en met opzet hele economieën te laten doodbloeden. Het is hun officiële beleid met droge ogen hele gebieden uit te hongeren om ze tot overgave te dwingen. En het blijkt dat niet eens het ergste is wat ze op hun kerfstok hebben.

Maar voordat we onze kinderen werkelijk kunnen beschermen, moeten we ook zelf eerst volwassen worden. Deze onthullingen en het daaruit voortkomende besef moeten geen angst en paranoia veroorzaken, maar

zouden moeten leiden tot de vaststellingen dat wij betere mensen zijn, en beter ook in staat onze levens en samenleving richting te geven dan hen die we daar officieel mee belast hebben. Maar vooral moeten we erkennen dat de vreemdelingen aan wie we de macht hebben overgedragen ontmaskerd worden als nog vreemder dan we ons ooit hadden kunnen voorstellen.

koningshuis en de vrijmetselarij
2 augustus 2013 by: corruptekamer

Veel Nederlanders hebben geen flauw idee dat Nederland volledig in handen is van de Vrijmetselarij.

De vrijmetselaars (Bilderbergers) zitten op cruciale en machtige posities binnen de politiek, financiële sector en het bedrijfsleven waardoor zij een soort (onzichtbaar) netwerk vormen.

De economische crisis gebruiken ze om competitie (mkb-bedrijven) uit de weg te ruimen en belangrijke onderdelen van de maatschappij te privatiseren.

Het koningshuis

De leden van het koninklijk huis hebben dubieuze achtergronden en zitten in allerlei dubieuze geheime genootschappen.

Prins Bernhard

Prins Bernhard was een lid van de Sturmabteilung (SA) van de NSDAP en eveneens van de Reiter-SS

In 1976 werd bekend dat prins Bernhard betrokken was bij smeergeldaffaires, o.a. de Lockheed-affaire.

Hij is 1 van de oprichters van de Bilderberggroep gezamenlijk met Joseph Retinger. (ook een Vrijmetselaar)

hij is een lid van de Knights of Malta
http://nl.wikipedia.org/wiki/Orde_van_Malta

Koningin Beatrix

Koningin Beatrix heeft vanaf 1977 iedere Bilderbergconferentie bijgewoond als aandeelhouder van Royal Dutch Shell.

Het koninklijk huis is een groot aandeelhouder van Shell want ze noemen het niet voor niets Royal Dutch Shell.

Koningin Beatrix staat ook op de ledenlijst van het Committee of 300

- Constantijn Prince of the Netherlands – [[link toen.wikipedia.org](http://en.wikipedia.org/wiki/Constantijn_Prince_of_the_Netherlands)]
- Friso Prince of Orange-Nassau – [[link to en.wikipedia.org](http://en.wikipedia.org/wiki/Friso_Prince_of_Orange-Nassau)]
- Mabel Princess of Orange-Nassau – [[link to en.wikipedia.org](http://en.wikipedia.org/wiki/Mabel_Princess_of_Orange-Nassau)]
- Willem-Alexander Prince of Orange – [[link to en.wikipedia.org](http://en.wikipedia.org/wiki/Willem-Alexander_Prince_of_Orange)]
- Beatrix Queen of the Netherlands – [[link toen.wikipedia.org](http://en.wikipedia.org/wiki/Beatrix_Queen_of_the_Netherlands)]

Beatrix het vermogen

Als wij de aandelen van alleen Koningin Beatrix nu eens stellen (Major betekent volgens Van Dale, het Engelse Woordenboek GROOT) op 5 % van het totaal. (zie voorgaande pagina Sunday Times 2004, waarin

woordvoerder van de Oranje's dat expliciet toegeeft. De 25% van Wilhelmina zal ergens toch wel zijn verdeeld). 5 % van A-shares/B-shares is 31.714.325 aandelen tegen een koers van €28,75 per aandeel en dat geeft thans een Beurswaarde van €911.786.843,75 (911,7 miljoen Euro!!!). Opbrengst per jaar: 31.714.325 aandelen x

€1,33 = €42.180.052,25. En dat is nog maar Shell!. Aan u of dit de waarheid is of niet. Een feit is zeker, dit is nimmer weersproken door wie dan ook. Mocht het eerder beschreven aandeel van 25% de feitelijke waarheid wel benaderen, dan kunt u onze eenvoudige berekening van Shell (zie voorgaande opsomming van aandelen Shell) met de factor 5 vermenigvuldigen. Het bedrag dan? Nou ja, iets in de buurt van 5 Miljard Euro!!

Kroonprins lid van broederschap

DEN BOSCH (ANP) - Prins Willem Alexander wordt op 25 oktober in Den Bosch geïnstalleerd als Zwanenbroeder van de Illustere Lieve Vrouwe Broederschap. Het Zwanenbroederschap is een erelidmaatschap. Ook koningin Beatrix, prins Claus, prinses Juliana, prins Bernhard en prinses Irene zijn Zwanenbroeder. De Broederschap organiseert onder meer bezinningsdiensten, oecumenische diensten en lezingen.

De Illustere Lieve Vrouwe Broederschap werd in 1318 in Den Bosch opgericht door enkele clerici (geestelijken met lagere wijding) en scolares (toekomstige clerici) ter ere van de maagd Maria. Naast de kleine kern van 'gezworenen' kreeg de vereniging ook 'buitenleden'.

Hun aantal groeide aanvankelijk erg snel, te meer daar alle leden aflaten konden verdienen. Voor 1550 waren er ongeveer honderdduizend personen ingeschreven, van wie velen afkomstig waren uit Wenen, Londen en de Hanze-steden. Op de ledenlijsten van de Broederschap staan bisschoppen, koningen, prinses en patriciërs uit de Lage Landen. Op het ogenblik bestaat de Broederschap uit 36 leden, 18 rooms-katholiek en 18 protestant. Zij komen eenmaal per jaar bijeen om de maaltijd te gebruiken en gaven onder de armen te verdelen.

Koningin Beatrix

Willem Alexander is de nieuwe koning en hij is ook lid van allerlei dubieuze (geheime) genootschappen.

- hij bezocht meerdere malen de Bilderbergconferentie
- Hij staat op de Ledenlijst van het committee of 300
- hij is lid van de Zwanenbroeders

Op deze pagina staat een interessant artikel met meer krantenknipsels.

[Volgens prof. dr. Johan Oldenkamp in zijn pateo-nieuwsbrief 15-01-2014 is Willem-Alexander geen Oranje.](#)

Nu dan toch naar de actualiteit. Wat vindt u van de afvaardiging van de koning naar Sotsji?

'Daar wil ik twee dingen over zeggen. Ten eerste: Wilhelmina is niet de dochter van Willem III. Hij kreeg twee jaar voor haar geboorte syfilis, daarom kon hij op 63-jarige leeftijd geen kinderen meer krijgen met zijn tweede vrouw Emma, die toen nauwelijks twintig jaar oud was. Dat is algemeen bekend. Willem-Alexander is dus niet een Oranje-Nassau. Dat lijkt me goed als dat een keer wordt gemeld in de media.'

Al tijden gaan er geruchten dat Koning Willen Alexander helemaal geen Oranje-Nassau is. Zelfs de Volkskrant komt met het bericht dus kunnen we er vanuit gaan dat we te maken hebben met een nep koning oftewel een bastaard koning.

Volgens Johan Oldenkamp is Wilhelmina niet de dochter van Willem III. Deze 63 jarige Willem leed al jaren aan de geslachtsziekte syfilis voordat Wilhelmina geboren werd en kan dus nooit de vader van Wilhelmina zijn geweest. Zijn vrouw Emma was amper 20 jaar toen zij beviel van Wilhelmina. Het is dus onmogelijk dat Willem Alexander familie is van de al lang overleden Wilhelmina.

Het is zeer waarschijnlijk dat de verwekker van Wilhelmina óf mr. Joan Roël, óf jonkheer De Ranitz is. Beide heren komen voor als vertrouweling van de jonge Emma in het nieuwe boek van Thomas Ross, de Nachtwaker.

Dit betekent dat Willem Alexander geen recht heeft op de troon, volgens onze grondwet. Artikel 24 in hoofdstuk 2 van de Nederlandse grondwet bepaalt immers dat het koningschap erfelijk moet worden vervuld door grondwettelijke opvolgers van koning Willem I, Prins van Oranje-Nassau. Het betekent ook dat Máxima Zorreguieta die zich door een truc koningin mag noemen maar dat helemaal is, zich nu samen met Willem Alexander zal moeten terugtrekken uit de huizen en paleizen in ons land.

We zijn benieuwd of onze politiek en burgers het aandurven om de nep oranjes de deur te wijzen en ze van een BSN nummer te voorzien zodat ze een baan kunnen gaan zoeken om alles terug te betalen wat de belastingbetaler tot nu toe voor ze heeft betaald. Ze zullen dan wel voor een accountantskantoor of bank moeten gaan werken want daar kan je nog met frauderen dergelijke bedragen opstrijken.

17 januari 2014 om 14:12 Quirine de Kok zegt:

Vernam van intimi dat ze met ki verwekt zijn omdat meeste ultrarijke inteelt steriel of impotent zijn. Kan deze poppenkast na 200 jaar eens in de uitverkoop? DNA zal uitwijzen of het een Ranitz is. Zo op het oog te zien wel.

14 januari 2014 om 14:08 cathy zegt:

Volgens velen is deze dikke Willy een de Ranitz.

Ze hoeven geen BSN nummer aan te vragen want ze hebben zoveel geroofd dat ze nooit meer arm zullen worden, bovendien hebben ze al hun tentakels in verschillende financieele instellingen, olie enz.enz.

Helaas vrees ik dat ze nog wel even aan zullen blijven, het Nederlandse volk heeft deze criminelen al te lang toegelaten en alles geaccepteerd. Bovendien hebben we nu een minpres.die helemaal naar de pijpen van deze meneer danst en niets heeft in te brengen.

Het is diep triest, want deze familie verpest dit land en nu met een zelfbenoemde Evita Perron gaan we nog sneller de bietenbrug af.

Helaas een volk krijgt wat het verdient!

Willem-Alexander De Ranitz of Van Oranje Nassau?

Heeft beoogd koningskind Willem-Alexander wel recht op de troon?

Er zijn geruchten, verklaringen, maar feiten ontbreken. Grondig DNA-onderzoek zou een einde aan de geruchten kunnen maken... maar misschien ook wel aan onze monarchie. De troonsopvolging is een feit. Koning Willem Alexander heeft de eed afgelegd. Maar hoe rechtmatig is dit?

Troonsopvolging

Voor de rechtmatigheid van de troonsopvolging van koningin Beatrix door Willem-Alexander moeten we in het bijzonder kijken naar koning Willem III: Prins Willem Alexander Paul Frederik Lodewijk, Prins van Oranje-Nassau, Koning der Nederlanden. Hij leefde van 1849-1890 en was de zoon van Koning Willem II der Nederlanden en Anna Paulowna, Grootvorstin van Rusland, de zuster van de heersende Russische Tsaar Alexander I van Rusland.

Het was een beetje vreemde koning, deze Willem III. Hij was sterk tegen de constitutionele monarchie en vond dat een koning zelf moest regeren. Hij trouwde met zijn volle nicht, Sophie van Württemberg, maar leefde er dusdanig onverholen zedeloos op los, dat hij door de New York Times destijds werd afgeschilderd als ‘de meest losbandige figuur van onze tijd’. Later kreeg hij de bijnaam Koning Gorilla, vanwege zijn onvoorspelbare grillige buien en boerse gedrag.

Wilhelmina

Met Sophie kreeg Willem III drie zoons. Sophie overleed in 1877. In 1879 hertrouwde hij met de 20-jarige Emma van Waldeck-Pyrmont. Hij was toen 61 en zijn losbandige leven zou ervoor gezorgd hebben dat hij geen koningskinderen meer kon krijgen, zoals opgetekend door J.G. Kikkert in zijn boek *Geheimen van de Oranjes*. Kikkert verwijst daarin naar een rapport van de lijfarts van Willem III, Roessingh.

Toch werd Emma zwanger en in 1880 werd Wilhelmina, de overgrootmoeder van onze toekomstige koning Willem-Alexander geboren. Toen Willem III stierf in 1890 waren zijn zoons uit zijn eerste huwelijk al overleden en werd Emma regentes over de 9-jarige Wilhelmina, het enig overgebleven koningskind.

Willem-Alexander

Als Willem III inderdaad geen kinderen meer kon krijgen op zijn 61ste, betekent dit dat Wilhelmina de dochter was van een ander. Als mogelijke vaders worden mr. Joan Roëll en jonkheer De Ranitz

genoemd, die overigens ook voorkomt als vertrouweling van de jonge Emma in het nieuwe boek van Thomas Ross, *de Nachtwaker*.

Dit betekent echter ook dat Willem Alexander geen recht meer heeft op de troon, volgens onze grondwet. Artikel 24 in hoofdstuk 2 van de Nederlandse grondwet bepaalt immers dat het koningschap erfelijk moet worden vervuld door grondwettelijke opvolgers van koning Willem I, Prins van Oranje-Nassau. De ene Willem Alexander doet door zijn losbandige leven uiteindelijk de andere Willem-Alexander de das om.

Koningskind

Of koning Willem-Alexander wettelijk recht heeft op de troon zou nader onderzocht kunnen worden via DNA-onderzoek. Maar wie van het koningshuis wil daaraan meewerken? En ongetwijfeld leidt dat tot tegenwerking van instanties en personen die juist vóór de monarchie zijn. Op welke manier: dat onthult Rob van Hoorn in zijn thriller *Het Koningskind*.

In deze Royal detective gaat hoofdpersoon Gijs van Ravenstein op zoek naar het antwoord op de vraag of Wilhelmina wel echt de overgrootmoeder van Willem Alexander is. Hij wordt daarbij gedwarsboomd door onbekende, maar machtige tegenstanders. Een boeiend, lezenswaardig verhaal, waarin feiten een belangrijke rol spelen, en fictie misschien in de toekomst wel feiten worden.

"Een beschaafd volk heeft geen koning. Een democratische gemeenschap kiest zijn gezagsdragers voor een beperkte periode in een bepaalde functie. Verantwoordelijke ouders geven hun kinderen de ruimte om te kunnen kiezen in het leven. Zij beperken het leven van hun

kinderen niet tot één functie, die bij de geboorte al is bepaald. Ouders die hun kinderen opofferen voor het in stand houden van een mythe, moeten ontheven worden uit de ouderlijke macht."
