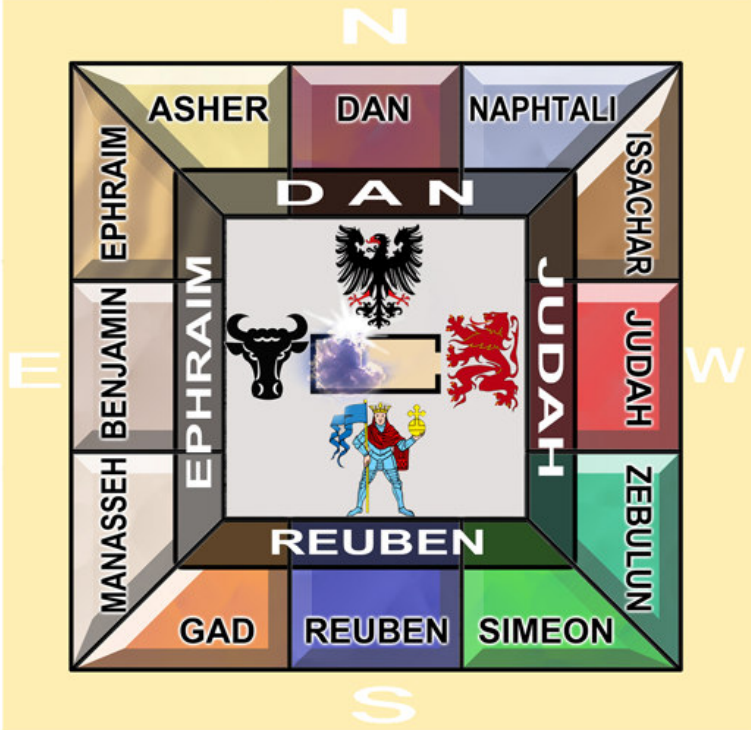
HERALDIEK EMBLEMEN

VAN DE TWAALF STAMMEN ISRAELS

- De volgende afbeeldingen van de heraldiek der zonen van Jakob, de stammen Israels, zijn gemaakt door een illustrator en vriend uit Tasmanië, in opdracht van Lawrence Blanchard, die het in zijn boeken heeft afgedrukt. Zo hier en daar hebben wij een toelichting of commentaar bij de diverse wapens van de stammen geplaatst.



Heraldic Emblems in Biblical Israel

Blessings of Jacob-Israel to his Twelve Sons – Genesis 49

Before Jacob died, he called together his twelve sons and foretold of blessings over each of them. He used **objects, animals,** or **personal characteristics** as symbols. These symbols became the standards or emblems for the tribes of the nation and later in history, the nations of Israel.

On the following pages we will study the emblems of each tribe.

Layout of the Camp of Israel – Numbers 2

"Now the LORD spoke to Moses and to Aaron, saying, The sons of Israel shall camp, each by his own **standard**, with the **banners of their fathers' households;** they shall camp around the tent of meeting at a distance." Numbers 2:1,2

Israel's camp was divided into four brigades, with three tribes in each brigade.

Each brigade carried the banner of the main tribe as the standard of the brigade:

North: Asher, Dan, Naphtali = **Brigade of Dan = Eagle (Num. 2:25-31)**
South: Simeon, Reuben, Gad = **Brigade of Reuben = Man (Num. 2:10-16)**
East: Issachar, Judah, Zebulun = **Brigade of Judah = Lion (Num. 2:3-9)**
West: Benjamin, Ephraim, Mansseh = **Brigade of Ephraim = Ox (Num. 2:18-24)**

The Heraldic Emblems of Reuben

THE TRIBE OF REUBEN

Reuben, you are my firstborn; My might and the beginning of my strength,
Preeminent in dignity and preeminent in power.
Uncontrolled as water, you shall not have preeminence... (Genesis 49:3,4)

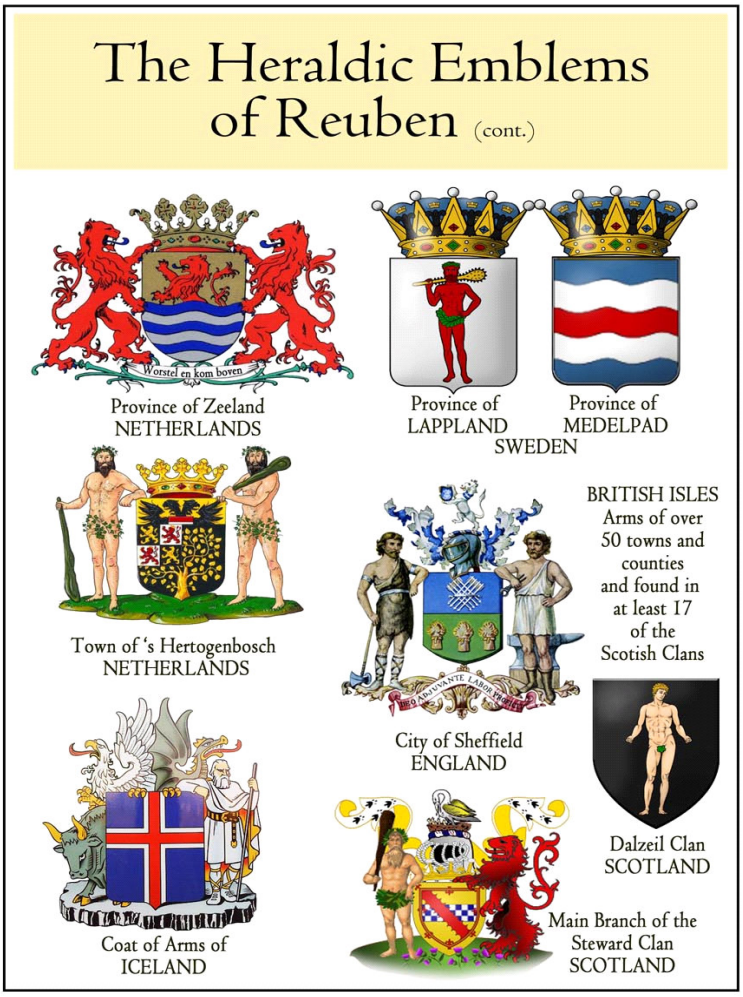
found in all of
Northern Europe



•Sommige figuren wijzen ons inziens naar vermenging en inmenging in de stammen Israels, wat streng verboden was. De draken vormen geen Israel-symbolen, maar komen van de reptilians en Annunaki's af. De staande roden leeuw wijst volgens sommige onderzoekers naar Edom. De joden zouden dit Juda symbool gestolen hebben. De joden gebruiken vaak de leeuw afbeelding met één poot op de wereldbol.

Whole swathes of land have been tussled over for more than 1000 years between Germanic speaking and Slavic speaking Europe (Germanic dialects are English, Dutch, German, and Scandinavian. Slavic are Russian, Polish, Czech and so on). These areas are full of town and shire names in both German or Polish/Czech. It is in these regions one finds more town and family shields with asses than any other part of the world.

The Heraldic Emblem of Naphtali

THE TRIBE OF NAPHTALI

Naphtali is a doe let loose, He gives beautiful words.
(or... Naphtali is a hind let loose:
he giveth goodly words.)

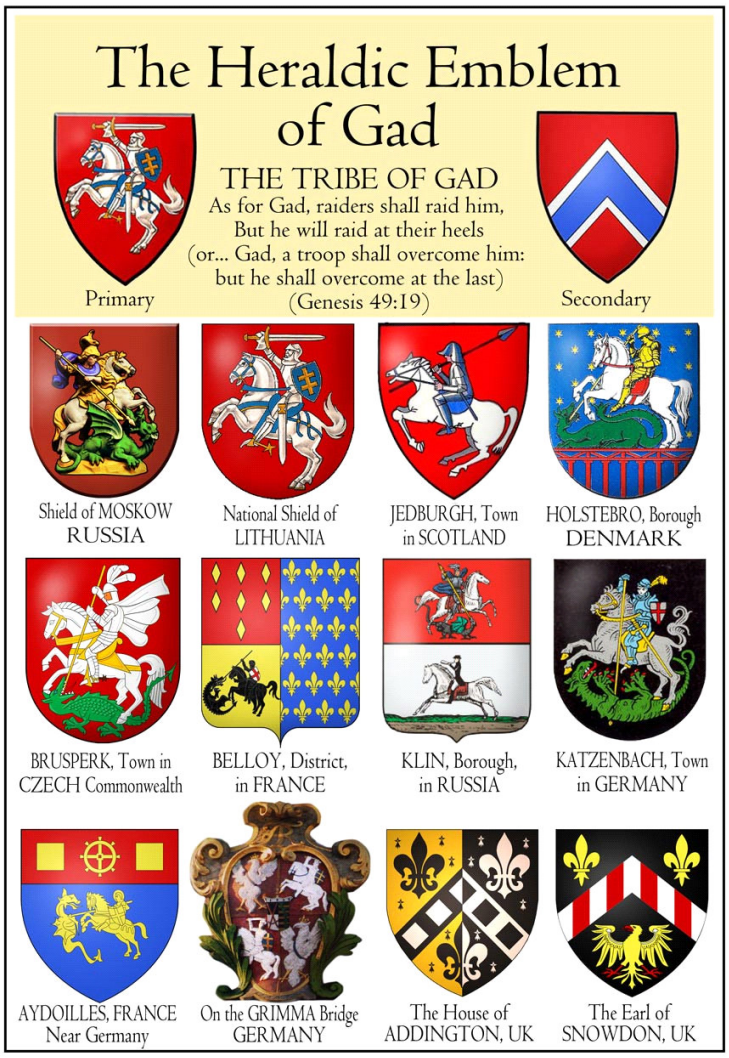
•Amerika is volgens de Brits-Israel visie te zien als Manasse, de 13e stam. Engeland zou Efraim zijn. Hiertegen hebben wij sterkte bedenkingen. Engeland is het land van de gevallen engelen, de Nefilim en reuzen Gog en Magog, draken. Zie onze website www.pentahof.nl



•De Fleur de Lis is geen Israel-symbool, maar komt van de Prieuri de Sion, en is een phallus symbool, wat meest door de Europese vorstenhuizen is gebruikt, het zogenaamde blauwe bloed.
